(Choose one of these marble marvels as the centerpiece of your powder bath.)

### Hardware That Rocks

It seems that singer, songwriter, and actor Lenny Kravitz also as a penchant for design. In a collaboration with Rocky Mountain Hardware is eponymous New York-based design firm, Kravitz Design created the Trousdale collection of cabinet and door hardware inspired by the midcentury-modern architecture of the Beverly Hills enclave Trousdale Estates. The edgy, textured and crafted hardware is available in your choice of 10 finishes.
